

Motion Sensor Bed Light

Indigo Care has an exclusive Motion Sensor Bed Light for fall prevention. This device is designed to safely guide your residents in the dark. The device turns on the LED light automatically when it detects human motion. It even has a dimmer controller and a light timer. Simply mount the LED strip under your bed or preferred location. The LED strip is 1.2 metres but it can also be cut to a length to suit whatever space is needed. Connect the LED strip to the PIR motion sensor; when the sensor detects a motion made by the residents, the LED lights are switched on automatically. The very low energy consumption LED lights enable the residents to see their surroundings, therefore potentially preventing the residents from a fall. Depending on the timer setting of 30 sec, 130 sec, or 380 sec, the light will switch off automatically when no motion is detected. The device also has a photo sensitive sensor which will not activate unless it is dark. The lights are mains powered so there are no batteries or recharging to worry about. The residents can change the LED brightness from a soft glow to a warm bright light by using the dimmer controller. Everything you need is included in the kit: a sensor, one light strip and a mains power supply. If required, we also have a Double Sensor Kit which will allow you to have two strips of lights, one for each side of the bed, along with two sensors and a mains power supply.

Features:

- Dimmable Switch
- Timer Setting: 30 seconds, 130 seconds, 380 seconds
- Single Kit: 45 LEDs – 1.2 metre
- Double Kit: 90 LEDs – 2 x 1.2 metre
- Last up to 100,000 lighting hours
- Power Saving Feature – photo sensitive sensor

Specifications:

- LED Strip Power: 12VDC (Max 3W per LED strip)
- Colour Temperature: 2700-3000K
- Infrared Body Temperature Sensor
- Inductive Range 3.6 meter and 100 degrees
- Dustproof and Waterproof Grade: IP65
- LED Strip Dimensions: 1200 mm (L) x 7.5 mm (W) x 2.5 mm (H)

All of our products come with a 12 month warranty and a 30 day money back guarantee
